Thank you for submitting your manuscript to *The Journal of Immunology*. Your manuscript contains color figures. A single color figure printed on one page, which can include multiple panels, costs \$850 for nonmembers of AAI. An additional \$300 is charged for each additional color figure that is printed on the same page (i.e., first color figure on first page: \$850; second color figure on the first page: \$300; first color figure on second page: \$850, etc.).

Corresponding authors who are regular, emeritus, or honorary AAI members on the date of manuscript acceptance will receive a \$200 price reduction on the cost of the first color figure on each page.

The color reproduction costs are unrelated to costs incurred in ordering color reprints.

Please sign below agreeing to incur the color cost or indicating you will substitute black-and-white figures, with the understanding that the manuscript may then be re-reviewed. Please list the figures (Fig 1, 3b,... etc.) that contain color, and fax the completed, signed form to *The Journal of Immunology* at 301-634-7831. Please e-mail any questions to infoji@aai.org.

Please be advised that black-and-white figures cannot be substituted for color figures after manuscript acceptance.

 YES, I agree to pay all appropriate charges to publish the color figure(s) in my manuscript.
The following figures in this manuscript contain color: _____

I will immediately send a PDF file containing black-and-white figures to replace the color figures I submitted. I realize that this may result in the manuscript being re-reviewed and that this change may cause the manuscript to be unacceptable for publication.
